Subject: EPA Administrator Visit to Dillingham - Pebble Listening Session July 28th, 2010

Good Afternoon,
The U.S. Environmental Protection Agency, Administrator Lisa Jackson, along with our Region 10 Administrator Dennis McLerran and several other EPA officials will be in Dillingham on Wednesday July 28th, 2010. The purpose of the visit to Dillingham is to learn more about the Bristol Bay region and the proposed Pebble mine. EPA would like to notify your organization about a listening session that will be held from 245PM-345PM at the Middle School in Dillingham.

If you know of any other people or entities that would have information to share at this session please feel free to let them know. Please be aware that the session will only be an hour and therefore remarks should be kept as brief as possible. The intent of this session is not to discuss the pros or cons of the proposed project but for the EPA to hear directly from the region their concerns and perspectives.

The entire list of EPA Officials traveling:
Lisa Jackson, Administrator
Robert Goulding, Staff
Michelle DePass, Assistant Administrator (AA) - Office of International and Tribal Affairs (OITA)
Shalini Vajjhala, Deputy AA-OITA
Elle Beard, Special Assistant-OITA
Jeff Besougloff, Associate Director, American Indian Environmental Office -OITA
Dennis McLerran, Regional Administrator -Region 10
Marcia Combes, Director, Anchorage Operations Office
Tami Fordham, Anchorage Operations Office
Patty McGrath, Mining Coordinator, Region 10

If you have any questions please let me know.

Sincerely,
Tami
